

User levels

Individual

Level 0

Online member

Pumzile

My membership:
Online community member

Trained to use

No programme training

Course delivery options

Online Skills (LMS) course

Online facilitated Skills course - series of events.

Data source(s)?

My Dashboard

Shows Pumzile’s training data
(Data from Learn Dash)

No Programme reporting
No Implementation data

Level 1

Programme Independent

Johan

My membership:
Wordworks program network

Trained to use

Read, Write, Shine programme

Course delivery options

Online (LMS) course

Physical course (Wordworks or collaboration partner)

Online facilitated course

Data source(s)?

My Dashboard

Shows Johan’s training data
(Data from Learn Dash)

Displays Johan’s implementation data
(data from Johan’s Read, Write, Shine program report)

Johan fills in report

Organisation team

Level 2

Programme team member - non networked

Vusi

Membership Status:
Wordworks program network
Sunrise Primary team

Trained to use

HSP Programme

Format options

Online (LMS) course
Physical course (Wordworks or collaboration partner)
Online facilitated course

My Dashboard

Displays Vusi’ s training data
(Data from Learndash)

Displays Vusi’s implementation
(data from Vusi’s HSP programme report)

Vusi fills in report

Sunrise Primary dashboard
Member of the Wordworks programme network

Displays Team training data including Vusi’s data
(Data from Learndash)

Displays team implementation including Vusi’s
(data from team members programme reporting)

Team lead or nominee from Sunrise Primary
fills in report

Level 2 + (admin)

Programme team member - non networked

Katlego

Membership Status:
Wordworks program network
Sunrise Primary admin

Trained to use

HSP Programme

Format options

Online (LMS) course
Physical course (Wordworks or collaboration partner)
Online facilitated course

My Dashboard

Displays Katlego’ s training data
(Data from Learndash)

Displays Katlego's implementation
(data from Katlego's HSP programme report)

Katlego fills in report

Sunrise Primary dashboard
Member of the Wordworks programme network

Displays Team training data including Katlego's data
(Data from Learndash)

Displays team implementation including Katlego's
(data from team members programme reporting)

Team lead or nominee from Sunrise Primary
fills in report

Admin needs ability to assign reporting role to another team member

Level 3

Programme team member - networked

Mary

Membership Status:
Wordworks program network
Opskud ECD team
Khululeka Network

Trained to use

Little stars - online (LMS)

Format options

Online (LMS) course
Physical course (Wordworks or collaboration partner)
Online facilitated course

My Dashboard

Displays Mary’ s training data
(Data from Learndash)

Displays Mary's implementation
(data from Mary's Little stars programme report)

Mary fills in report

Opskud ECD dashboard
Wordworks program network
Khululeka network

Displays Team training data including Mary's data
(Data from Learndash)

Displays team implementation including Mary's
(data from team members programme reporting)

Admin or nominated team member (admin proxy)
fills in report

Data source(s)?

Level 3 + (admin)

Programme team member - networked

Xoli

Membership Status:
Wordworks program network
Opskud - admin
Khululeka Network

Trained to use

EWC Programme

Format options

Online (LMS) course
Physical course (Wordworks or collaboration partner)
Online facilitated course

My Dashboard

Displays Xoli’ s training data
(Data from Learndash)

Displays Xoli’s implementation
(data from Xoli’s EWC program report)

Xoli fills in report

Opskud ECD dashboard
Wordworks program network
Khululeka network

Displays Team training data including Xoli's data
(Data from Learndash)

Displays team implementation including Xoli's
(data from team members program reporting)

Admin or nominated team member (admin proxy)
fills in report

Data source(s)?

Admin needs ability to assign reporting role to another team member

Collaboration partner team

Level 4

Programme Team member at Collab partner

Mandla

Membership Status:
Wordworks program network
Khululeka team

Trained to use

EWC Programme

Format options

Online (LMS) course

Physical course (Wordworks or collaboration partner)

Online facilitated course

My Dashboard

Displays Mandla’s training data
(Data from Learndash)

Displays Mandla’s implementation
(data from Mandla’s EWC program report)

Mandla fills in report

Khululeka dashboard

Wordworks program network

Data source(s)?

Displays all network members’ (like Opskud ECD) training data.
(Data from Learndash)

Displays all network members’ implementation data
(Data from Learndash)

Displays team members (like Anele) programme training data
(data from team members program reporting on Learn Dash)

Displays team members program implementation data
(data from team members program reporting on Learn Dash)

Admin or nominated team member (admin proxy) fills in report

Level 4 + (Admin)

Programme Team member at Collab partner

Anele

Membership Status:
Wordworks program network
Khululeka team - admin

Trained to use

EWC Programme

Format options

Online (LMS) course

Physical course (Wordworks or collaboration partner)

Online facilitated course

My Dashboard

Displays Anele’s training data
(Data from Learndash)

Displays Anele’s implementation
(data from Xoli’s EWC program report)

Anele fills in report

Khululeka dashboard

Wordworks program network

Data source(s)?

Displays all network members’ (like Opskud ECD) training data.
(Data from Learndash)

Displays all network members’ implementation data
(Data from Learndash)

Displays team members (like Anele) programme training data
(data from team members program reporting on Learn Dash)

Displays team members program implementation data
(data from team members program reporting on Learn Dash)

Admin or nominated team member (admin proxy) fills in report

Admin needs ability to assign reporting role to another team member
